All services and procedures, regardless of place of service, must meet medical necessity criteria.

Organizational Determinations Status Definitions	Expedited: When the enrollee or his/her physician believes that waiting for a decision under the standard time frame could place the enrollee's life, health, or ability to regain maximum function in serious jeopardy
	Standard: Determination must be made as expeditiously as the enrollee's health condition requires, but no later than 14 calendar days after the date organization receives the request.
Inpatient Admissions	Prior authorization is required for any planned inpatient acute, post-acute care (SNF, IRF, LTAC) and inpatient behavioral health (detox, substance abuse, residential) admissions. Emergent Inpatient Admissions require notification to the Health plan. Participating specialists requesting service at a non-participating health care entity must also request prior authorization.
Durable Medical Equipment (DME)	DME (prosthetics, orthotics, other types of equipment) for which the billed amount exceeds \$1,000.00 retail cost. Infusion supplies over \$1,000 (A4221-A4223 codes), not on the prior auth grid currently, can be billed directly to the plan; do not submit for prior authorization.
Advanced Imaging, Cardiology, Joint, Spine, Pain Injections, PT/OT, Medical Oncology, Radiation Oncology	Many items from this list require Prior Authorization from either eviCore or Banner Health. To submit to Evicore, please see: www.evicore.com/pages/providerlogin.aspx or reach them by Phone – 888-693-3211 or Fax – 888-693-3210. Please specific CPT codes on this grid to determine whether prior authorization requests go through eviCore or Banner Health.
Ambulance Services	Non-Emergent all codes - Prior Authorization requests should be submitted directly to UnitedHealthcare Medicare Advantage via website at www.uhcprovider.com or by calling 888-936-7246.
